

## John Wilkes (HO Scale 1:87 )

**John Wilkes** layout is an HO scale (1:87 scale).

John Wilkes has been active in modeling since the mid 1960's. John and his father built their first layout on the proverbial 4'X 8' sheet of plywood. He joined the NMRA in 1980 and earned his Master Model Railroader certificate in 1983.

John belongs to the Ridge Model Railroad Club in Winter Haven. John has had several articles published in Railroad Model Craftsman, Model Railroader and others over the years.
